## Do's and Don'ts for disposal of E-Waste:

### Do's:

- 1) Always look for information on user manual with your product for end of life product handling.
- 2) Ensure that end of life product as well as used consumables , batteries and other E-waste are handed over to notified collection centres/ dealers displayed in our website ([www.wepdigital.com](http://www.wepdigital.com)).
- 3) Wherever possible or as instructed, separate the packaging material according to responsible waste disposal options and sorting for recycling.
- 4) Always disconnect the battery from product while handing over the E-Waste.
- 5) Always keep E-Waste away from Children.

### Don'ts:

- 1) Do not dismantle your electronic Products on your own.
- 2) Do not throw electronics in bins having "Do not Dispose" sign.
- 3) Do not give e-waste to informal and unorganized sectors like Local Scrap Dealer/ Rag Pickers. It is illegal to do so.
- 4) Do not dispose your product in garbage bins along with municipal waste that ultimately reaches landfills.
